

Lethean Paper Wallet

Private Mnemonic Key – 25 words

This must be 100% correct to use your balance. Do not share with anyone. If it is lost or someone else knows it, your balance is gone.

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20
21	22	23	24	25

Private View Key – 64 hexadecimal characters

This is the private view key for this wallet. You can use it to create a “view only” wallet which monitors the balance but disables transactions.

1-8	9-16	17-24	25-32	33-40	41-48	49-56	57-64

Public Address – “iz” followed by 95 case-sensitive characters

This is your public payment address on the Lethean network. Share it with anyone you would like to receive payments from.
