

# cashbet coin

## THE WORLD'S ONLY COMPLETE CRYPTO-READY iGAMING PLATFORM

Our mission is to solve the issues facing crypto-gaming operations today: trust, speed and cost. That's why we're expanding CashBet's patented iGaming platform to include crypto support and issuing our own CashBet Coin token.

CashBet Coin will open up access to world-class iGaming entertainment globally, while improving the online experience for casino, skill-based, eSports, lottery and sports betting players.

Public Sale scheduled for  
April 10 - April 27, 2018

By leveraging blockchain technology, we instill player trust in our provably fair operation, increase gameplay speed and scalability, and reduce transaction fees.

## A BETTER EXPERIENCE FOR PLAYERS

### Player Protection

Gives players increased visibility to all their information and transactions

### Reduced Fees

Private blockchain allows micro-transactions, minimizing fees

### Flexible Currency Options

Democratizes payment methods by accepting both fiat and CashBet Coin

### Trust and Transparency

Provably fair operations supported by a ledger of results and transactions

### Membership Bonuses

Exclusive rewards for players using and holding onto CashBet Coin

### Instant Payouts

State channel-based pay-as-you-go operation pays out players immediately

## ABOUT CASHBET

Founded in 2012 by gaming industry veterans, CashBet is the only mobile-first platform for real-money, social, and skill-based interactive gaming. Our patented enterprise software solution enables operators to run a legal and profitable iGaming business end-to-end. We're licensed by the Alderney Gambling Control Commission and the UK Gambling Commission.
