THE WORLD'S ONLY COMPLETE CRYPTO-READY iGAMING PLATFORM

Our mission is to solve the issues facing crypto-gaming operations today: trust, speed and cost. That's why we're expanding CashBet's patented iGaming platform to include crypto support and issuing our own CashBet Coin token.

CashBet Coin will open up access to world-class iGaming entertainment globally, while improving the online experience for casino, skill-based, eSports, lottery and sports betting players.

The CashBet ICO launches on Jan 24 2018 at 5:00 p.m. GMT

By leveraging blockchain technology, we instill player trust in our provably fair operation, increase gameplay speed and scalability, and reduce transaction fees.
